

Call for Sessions

Dear colleagues,

I am thrilled to announce that RC33 invites you to propose sessions for the upcoming ISA Forum of Sociology to be held in Rabat, Morocco, from 6 to 11 July 2025. Since RC33 will place up to 20 sessions at the ISA Forum, we welcome proposals for roundtable sessions and joint sessions with other RCs in addition to proposals for regular paper sessions. Sessions, regardless of their format, will last 105 minutes. This allows for up to 5 presentations to be accommodated in one regular paper session with 25 minutes of joint discussion.

Please submit your proposal(s) for session(s) online via the Confex platform (<https://isaconf.confex.com/isaconf/forum2025/cfs.cgi>), by clicking "Research Committees" and then "RC33Logic and Methodology in Sociology". All proposals (max. 250 words) must be submitted between May 2nd and July 01st, 2024 (24:00 UTC/GMT). RC33 will select up to 20 sessions from all proposals that will be sent in.

Further details and upcoming deadlines can be found on the ISA World Forum website <https://www.isa-sociology.org/en/conferences/forum/rabat-2025/visaforumguidelines>. Please feel free to contact me in case of questions related to RC33's Call for Sessions.

I very much hope that many of you will actively participate in designing RC33's conference program with session proposals and thus contribute to making the ISA Forum 2025 varied, interesting and stimulating. Looking forward to your session proposal(s).

Kind regards on behalf of the RC33 board,

Hawal Shamon
(RC33 Vice President Congress- and Forum Programme Coordinator)
